Excerpt is Verbatim. 3. The ostensible purpose of MUELLER's (Father Florian) trip to Spain was to make arrangements for the acceptance in that country of a large group of Rumanian refugees from Germany and Austria. Behind this project, which has the blessing of the Vatican, stands a Vatican organization known as the Congregation des "ites Orientaux, which is headed by French (Cardinal) TISSERAND. The Congregation concerns itself with those Catholic sects which acknowledge the Pope but which are permitted to maintain special rites and customs -- such groups as the Uniate Church, the Maronite sect in Lebanon, etc.. The local Rumanian committee in Rome, which forms part of the Congregation, is headed by (Father) COSMA. The Congregation also founded the Rumanian Greek Catholic Mission in Salzburg with MUELLER as its director and Walter POPAN as secretary.
